AXIOM SHAPES

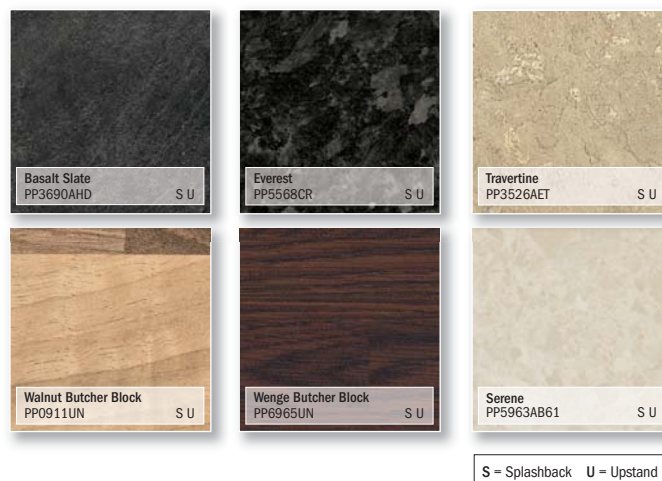

SHAPES

Axiom Shapes, the unique concept in kitchen design that offers specially developed modular shaped worktops to give ultimate flexibility in creating the perfect kitchen.

Use Axiom Shapes worktops for multi-level work surfaces, both horizontally and vertically, that will bring depth and dimension to your kitchen, whatever the shape or space.

Axiom Shapes worktops are laminated on both faces and pre-edged with polypropylene on all sides, making installation quick and easy - just cut to shape and install.

Please refer to page 46-47 for more product information.
