WATERPROOF PANELS, WORKSURFACES, SPLASHBACKS & UPSTANDS

Waves Sable tongue and groove wall panelling. Vanity area created using Concrete Quartz worksurface with Stone front panel and bright polished external extrusions.

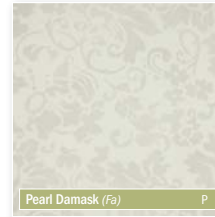

Waves Sable wall panel with a radiused edge gives a neat finishing detail by removing the need for extrusions

EASY MAINTENANCE

Nuance bathroom surfacing couldn't be easier to keep clean. A simple wipe with a damp cloth and a gentle cleaner is all that it takes. There are no grout lines like tiles to worry about and the specially designed tongue and groove panels jointed with our bespoke adhesive means there are no dirt traps. So you can lie back and relax in that beautiful bathroom of yours.

SENSUOUS STONE

Few can resist the allure of polished granite. Nuance Quartz designs recreate the magic of stone with realistic high print definition and metallic particles captured in lustrous high gloss finish.

Choose from a palette of white, black, cinder brown, cream and concrete. The perfect way to give your bathroom an upscale look, without the expense or ongoing maintenance of the real thing.

MATERIAL MIX

It's easy to create your very own spa-style interior at home. Nuance materials, designs and colours are perfect for combining together to create stylish looks with contrasting surface textures. All of which are superbly practical and easy to care for.

Why not use solid surfacing to panel out the shower area for you to luxuriate in? Then add some warmth and contrast with a rich woodgrain work surface for the vanity area.

Lovely.

All laminate worksurfaces come with a matching edging strip and care leaflet. Solid surface worksurfaces are supplied factory sanded and edged on 3 sides.

***BB Complete bonding and sealing**
 A neutral coloured adhesive for use in fixing panels where colour matching is not required is available at a lower price point.
 BB complete is available in 15 carefully chosen colourways to co-ordinate and blend with the whole Nuance collection.
 BB Complete is not for use with solid surface where a hard joint is required. Our colour matched solid surface adhesive should be ordered along with the special installation kit.
 Please remember our 15 year warranty requires the use of these adhesives, so ensure they form part of your order.
